- providing a fair and manageable system for dealing with non-payment and/or inability to pay fees/outstanding debts

2. SCOPE

3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Early Childhood Development (DEECD) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DEECD also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in the *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*).

DEECD requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must

comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. The *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic), as amended 2011
- *Child Wellbeing and Safety Act 2005* (Vic), as amended 2012

BROOKVILLE KINDERGARTEN - ATTACHMENT 1

Fee information for families

Brookville Kindergarten

1. Why fees are necessary

The Department of Education and Early Childhood Development (DEECD) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DEECD provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DEECD also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Brookville Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in the *Victorian kindergarten policy, procedures and funding criteria* document available at www.education.vic.gov.au/ecprofessionals/kindergarten/)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by Brookville Kindergarten are included on the Statement of Fees and Charges. These include:

- **Kindergarten Confirmation Fee:** This payment of \$250.00 secures a child's place at the service and is payable on acceptance of enrolment. The fee is retained by the kindergarten and is non-transferable and non-refundable. Families experiencing hardship should discuss these difficulties with the service.
- **Excursion/service event charge:** Where necessary, Brookville Kindergarten reserves the right to request an additional charge to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and interests. Affordability and relevance to the children's interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to *Excursions and Service Events Policy*). However, where it is financially viable for the Kindergarten to include this cost as part of the expenditure in the service's budget, families will not incur this additional charge.
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge has been set at \$1.00 per minute as determined by the Committee of Management.

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DEECD per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DEECD and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

Families who may be eligible for the Kindergarten Fee Subsidy (four-year-old programs only) include those who are:

- Health Care Card holders

- Asylum seekers on Bridging Visas A–F
- Refugee and Special Humanitarian Visa 200–217
- Resolution of Status (RoS) visa, Class CD, subclass 851
- Aboriginal or Torres Strait Islander children
- Triplets or quadruplets attending a funded kindergarten program in the same year.

Supporting documentation must be sighted by the service on acceptance of a place or on commencement in the program. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten Fee Subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

6.3 Child Care Benefit (CCB)

Child Care Benefit (CCB) is an Australian Government payment that can assist eligible families with the costs of childcare at an approved or registered care provider. Brookville Kindergarten is a registered care provider with the Family Assistance Office (FAO): Registered Child Care Rebate: 555 017 396A

Approved care is childcare that meets certain standards and requirements, and is approved by the Australian Government. Approved care providers must hold a licence to operate, have qualified and trained staff, be open certain hours and meet health, safety and other quality standards. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are approved providers.

Registered care is childcare provided for work-related purposes, including training and studying, maternity leave, sick leave or voluntary work, and the work-related purpose must have occurred at some time during the week in which the registered care was used. Registered care is provided by

individuals registered with the Family Assistance Office (FAO) and includes care given by kindergarten staff.

The amount payable is set by the Australian Government. Further details are available at www.familyassist.gov.au or telephone the FAO on 136 150.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Treasurer of the Committee of Management or the Kindergarten Director to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable and non-transferable (exceptional circumstances may apply – these are at the discretion of the Committee of Management. There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

10. Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three-year-old kindergarten program. Children can only commence the program when they have turned three.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
